

UNITED STATES
ENVIRONMENTAL PROTECTION AGENCY
REGION IV

10083109

IN THE MATTER OF:

Enterprise Recovery Systems Site
Byhalia, Marshall County,
Mississippi,

Proceeding Under Section 122(g)(4)
of the Comprehensive Environmental
Response, Compensation, and
Liability Act of 1980, as amended,
42 U.S.C. § 9622(g)(4)

ADMINISTRATIVE ORDER
ON CONSENT

Docket No.: 94-14-C

I. JURISDICTION

This Administrative Order on Consent ("Consent Order") is issued pursuant to the authority vested in the President of the United States by Section 122(g)(4) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended by the Superfund Amendments and Reauthorization Act of 1986 ("CERCLA"), Pub. L. No. 99-499, 42 U.S.C. § 9622(g)(4), to reach settlements in actions under Sections 106(a) and 107(a) of CERCLA, 42 U.S.C. §§ 9606(a) and 9607(a). The authority vested in the President has been delegated to the Administrator of the United States Environmental Protection Agency ("EPA") by Executive Order 12580, 52 Fed. Reg. 2923 (January 29, 1987) and delegated to the Regional Administrators of the EPA by EPA Delegation No. 14-14-E (issued September 13, 1987, amended by memorandum June 17, 1988), and further re-delegated to the Director, Waste Management Division, EPA, Region IV.

This Consent Order is issued to the Respondents identified in Appendix A and Settling Federal Agencies. Respondents and Settling Federal Agencies agree to undertake all actions required

by the terms and conditions of this Consent Order. Respondents and Settling Federal Agencies further consent to and will not contest EPA's jurisdiction to issue this Consent Order or to implement or enforce its terms.

II. DEFINITIONS

A. "Site" shall mean the Enterprise Recovery Systems Site, located in Marshall County, Mississippi on Cayce Road between Byhalia, Mississippi and Collierville, Tennessee.

B. "Respondents" shall mean those parties identified in Appendix A.

C. "Settling Federal Agencies" shall mean the United States Department of Interior - Bureau of Reclamation; the United States Department of Agriculture; the United States Department of Agriculture - United States Forest Service; and the United States Department of Veterans Affairs.

D. "United States" shall mean the United States of America, its departments, agencies and instrumentalities.

E. "Matters Addressed" shall mean all removal response activities at the Site, authorized pursuant to CERCLA, 42 U.S.C. § 9601 et seq., resulting from existing releases or threatened releases at the Site and addressed in the executed Administrative Order on Consent for Removal Action at the Site, Docket Number 93-43-C.

III. STATEMENT OF FACTS

1. The Site is located in Mississippi on Cayce Road between Byhalia, Mississippi and Collierville, Tennessee. The land

surrounding the Site has a small residential population, but several homes are located within 200 yards of the Site. The Site includes a single story sheet metal building, two distinct storage tank areas, a small retention pond, and several outdoor drum storage areas.

2. Enterprise Recovery Systems, Inc., facility ID number MSD000693176, ("Enterprise") is the owner and operator of an abandoned solvent recycling facility which operated on the Site. Enterprise recycled solvents and operated under a permit issued in accordance with the Resource Conservation and Recovery Act, 42 U.S.C. § 6901 et seq., as amended ("RCRA"). Enterprise began operations as early as 1978; Enterprise closed in October 1991 when its insurer discovered significant soil and groundwater contamination at the Site and canceled insurance coverage.

3. Hazardous substances found on or about the Site include benzene, xylene, toluene, tetrachloroethylene, trichloroethylene, 1,1,1-trichloroethane, perchloroethylene, naphthalene, acetone, ethanol, methanol, bis(2-ethylhexyl)phthalate, methyl ethyl ketone, isopropyl alcohol, oils, methylene chloride, and chlorinated waste water.

4. Hazardous substances within the definition of Section 101(14) of CERCLA, 42 U.S.C. § 9601(14), have been or are threatened to be released into the environment at or from the Site.

5. As a result of the release or threatened release of hazardous substances into the environment, EPA has undertaken

response actions at the Site under Section 104 of CERCLA, 42 U.S.C. § 9604, and may undertake additional response actions in the future. On September 27, 1993, EPA entered into an Administrative Order on Consent for Removal Action at the Site, Docket Number 93-43-C, with a number of potentially responsible parties.

6. In performing these response actions, EPA has incurred response costs at or in connection with the Site. For purposes of this Consent Order, the estimate of past costs incurred by EPA at the Site, prior to August 31, 1993, are \$115,370.37.

7. Information currently known to EPA indicates that each Respondent and Settling Federal Agency arranged for disposal or treatment, or arranged with a transporter for disposal or treatment, of a hazardous substance owned or possessed by such Respondent and Settling Federal Agency at the Site, or accepted a hazardous substance for transport to the Site.

8. Information currently known to EPA indicates that the amount of hazardous substances contributed to the Site by each Respondent and Settling Federal Agency does not exceed 10,000 gallons, or 0.45 percent of the hazardous substances at the Site, and that the hazardous substances contributed to the Site by each Respondent and Settling Federal Agency are not significantly more toxic or of significantly greater hazardous effect than other hazardous substances at the Site.

9. In evaluating the settlement embodied in this Consent Order, EPA has considered the potential costs of the removal

action at or in connection with the Site taking into account possible cost overruns.

10. Payments required to be made by each Respondent and Settling Federal Agency pursuant to this Consent Order are a minor portion of the total response costs at the Site which EPA, based upon currently available information, estimates to be approximately \$1,340,000.00.

IV. DETERMINATIONS

Based upon the Findings of Fact set forth above and on the administrative record for this Settlement, EPA has determined that:

1. The Enterprise Recovery Systems Site is a "facility" as defined in Section 101(9) of CERCLA, 42 U.S.C. § 9601(9).

2. Each Respondent and Settling Federal Agency is a "person" as defined in Section 101(21) of CERCLA, 42 U.S.C. § 9601(21).

3. Each Respondent and Settling Federal Agency is a "potentially responsible party" under Sections 107(a) and 122(g)(1) of CERCLA, 42 U.S.C. §§ 9607(a) and 9622(g)(1).

4. There has been an actual or threatened "release" of a hazardous substance from the Site as that term is defined in Section 101(22) of CERCLA, 42 U.S.C. § 9601(22).

5. Prompt settlement with the Respondents and Settling Federal Agencies is practicable and in the public interest in accordance with Section 122(g)(1) of CERCLA, 42 U.S.C. § 9622(g)(1).

6. This Consent Order involves at most only a minor portion of the response costs at the Site in accordance to Section 122(g)(1) of CERCLA, 42 U.S.C. § 9622(g)(1).

7. The amount of hazardous substances contributed to the Site by each Respondent and Settling Federal Agency and the toxic or other hazardous effects of the hazardous substances contributed to the Site by each Respondent and Settling Federal Agency are minimal in comparison to other hazardous substances at the Site in accordance with Section 122(g)(1)(A) of CERCLA, 42 U.S.C. § 9622(g)(1)(A).

V. ORDER

Based upon the administrative record for this Settlement and the Findings of Fact and Determinations set forth above, and in consideration of the promises and covenants set forth herein, it is hereby AGREED TO AND ORDERED:

PAYMENT

1(a). Each Respondent shall pay the amount set forth in Appendix B to this Consent Order, which is incorporated herein by reference, in accordance with Section V of this Consent Order, within thirty (30) days of the effective date of this Consent Order.

1(b). Each Settling Federal Agency shall pay the amount set forth in Appendix B to this Consent Order, which is incorporated herein by reference, in accordance with Section V of this Consent Order, within one hundred twenty (120) days of the effective date of this Consent Order.

2. The total amount to be paid by each Respondent and Settling Federal Agency includes a payment for: (a) past response costs incurred at or in connection with the Site; (b) projected future response costs to be incurred at or in connection with the Site; and (c) a premium to cover the risk that response costs to be incurred at or in connection with the Site will exceed \$1,340,000.00.

3. Each payment shall be made by certified or cashier's check and paid to:

Enterprise Recovery Systems Site Group
C/O Eugene E. Smary, Esquire
Warner, Norcross & Judd
900 Old Kent Building
111 Lyon Street, N.W.
Grand Rapids, Michigan 49503-2489

4. Each Respondent and Settling Federal Agency shall simultaneously transmit a copy of its check to:

Carolyn McCall
Waste Programs Branch
Waste Management Division
U.S. Environmental Protection Agency
Region IV
345 Courtland Street, N.E.
Atlanta, Georgia 30365

5. Payments by or on behalf of Settling Federal Agencies are subject to availability of appropriated funds. Nothing in this Consent Order shall be interpreted as or constitute a commitment or requirement that the Settling Federal Agencies obligate or pay funds in contravention of the Anti-Deficiency Act, 31 U.S.C. § 1341.

CIVIL PENALTIES

6. In addition to any other remedies or sanctions available to EPA, any Respondent who fails or refuses to comply with any term or condition of this Consent Order shall be subject to a civil penalty of up to \$25,000 per day for each failure or refusal to comply pursuant to Section 122(1) of CERCLA, 42 U.S.C. § 9622(1).

CERTIFICATION OF RESPONDENTS AND SETTLING FEDERAL AGENCIES

7. Each Respondent and Settling Federal Agency certifies individually that, to the best of its knowledge and belief, it has conducted a thorough, comprehensive, good faith search for information and for any evidence of destruction of or tampering with information or documents, and has fully and accurately disclosed to EPA all information currently in its possession, or in the possession of its officers, directors, employees, contractors or agents, which relates in any way to the ownership or control of the Site, or to the ownership, operation, generation, treatment, transportation, storage or disposal of hazardous substances, pollutants or contaminants at or in connection with the Site. Each Respondent further certifies, individually, that it has disclosed to EPA any and all evidence of destruction or tampering with any documents or other information relating to its potential liability or the filing of a suit against Respondent regarding the Site and that it has fully and accurately complied with any and all EPA requests for information pursuant to Sections 104(e) and 122(e) of CERCLA, 42

U.S.C. §§ 9604(e) and 9622(e), and Section 3007 of RCRA, 42 U.S.C. § 6927. Provision of false, fictitious, or fraudulent statements or representations to the United States may subject a Respondent to criminal penalties pursuant to 18 U.S.C. § 1001.

COVENANTS BY EPA

8. In consideration of the payments that will be made by the Respondents and Settling Federal Agencies under the terms of this Consent Order, and except as specifically provided in Section V, Paragraphs 10 and 11, of this Consent Order, EPA covenants not to sue any Respondent or take administrative action against any Respondent or Settling Federal Agency pursuant to Sections 106(a) or 107(a) of CERCLA, 42 U.S.C. §§ 9606(a) or 9607(a), and Section 7003 of RCRA, 42 U.S.C. § 6973, relating to the Matters Addressed. With respect to present and future liability, these covenants shall take effect with respect to each Respondent and Settling Federal Agency upon the receipt of the payment from that Respondent or Settling Federal Agency required by Section V, Paragraph 1, of this Consent Order. With respect to each Respondent and Settling Federal Agency, these covenants are conditioned upon the complete and satisfactory performance by that Respondent of its obligations under this Consent Order. These covenants extend only to the Respondents and Settling Federal Agencies and do not extend to any other person.

COVENANTS BY RESPONDENTS AND SETTLING FEDERAL AGENCIES

9. The Respondents and Settling Federal Agencies covenant and agree not to assert any claims or causes of action against

the United States or any of its agencies or its contractors or employees with respect to the Matters Addressed or this Consent Order, including, but not limited to, any direct or indirect claim for reimbursement from the Hazardous Substance Superfund (established pursuant to the Internal Revenue Code, 26 U.S.C. § 9507) through Sections 106(b)(2), 111, 112 or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9611, 9612 or 9613, or any other provision of law, or any claims arising out of response activities at the Site. Nothing in this Consent Order shall be deemed to constitute preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. § 300.700(d).

RESERVATIONS OF RIGHTS

10.. The covenants by EPA set forth in Section V, Paragraph 8, of this Consent Order, do not pertain to any matters other than those expressly specified in Paragraph 8. The United States, including EPA, reserves, and this Consent Order is without prejudice to, all rights against Respondents and Settling Federal Agencies with respect to all other matters, including but not limited to the following:

- a) claims based on a failure to make the payments required by Section V, Paragraph 1, of this Consent Order;
- b) criminal liability; or
- c) liability for damages for injury to, destruction of, or loss of natural resources.

11. Notwithstanding any other provision of this Consent Order, the United States, including EPA, reserves, and this Consent Order is without prejudice to, the right to institute judicial proceedings or to issue an administrative order seeking to compel the Respondents and Settling Federal Agencies 1) to perform response actions relating to the Site, or 2) to reimburse the United States, including EPA, for additional costs of response if:

a) information not currently known to EPA is discovered which indicates that any Respondent or Settling Federal Agency contributed hazardous substances to the Site in such greater amount or of such greater toxic or other hazardous effects that the Respondent or Settling Federal Agency no longer qualifies as a de minimis party at the Site because the Respondent or Settling Federal Agency contributed greater than 10,000 gallons, or 0.45 percent of the hazardous substances at the Site, or contributed hazardous substances which are significantly more toxic than or are of significantly greater hazardous effect than other hazardous substances at the Site; or

b)(i) conditions at the Site, previously unknown to EPA, are discovered, or ii) information, previously unknown to EPA, is received, in whole or in part, and the previously unknown conditions or information together with other information indicates that the removal action consistent with the Administrative Order in Consent for Removal Action,

Docket Number 93-43-C, is not protective of human health or the environment.

c) For purposes of Section V, paragraph 11(b), of this Consent Order, the information and the conditions known to EPA shall include only that information and those conditions set forth in the Administrative Order in Consent for Removal Action, Docket Number 93-43-C, and the administrative record supporting the removal action.

EFFECT OF SETTLEMENT: CONTRIBUTION PROTECTION

12. Nothing in this Consent Order shall be construed to create any rights in, or grant any cause of action to, any person not a party to this Consent Order. The preceding sentence shall not be construed to waive or nullify any rights that any person not a signatory to this Consent Order may have under applicable law. The United States, including EPA and Settling Federal Agencies, and the Respondents each reserve any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and causes of action which each party may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a party hereto.

13. EPA and the Respondents and Settling Federal Agencies agree that the actions undertaken by the Respondents and Settling Federal Agencies in accordance with this Consent Order do not constitute an admission of any liability by any Respondent or Settling Federal Agency. The Respondents and Settling Federal

Agencies do not admit and retain the right to controvert in any subsequent proceedings, other than proceedings to implement or enforce this Consent Order, the validity of the Statement of Facts or Determinations contained in this Consent Order.

14. With regard to claims for contribution against each Respondent and Settling Federal Agency for Matters Addressed by this Consent Order, EPA and Respondents and Settling Federal Agencies agree that each Respondent and Settling Federal Agency is entitled, as of the date of this Consent Order, to such protection from contribution actions or claims as is provided by Sections 113(f)(2) and 122(g)(5) of CERCLA, 42 U.S.C. §§ 9613(f)(2) and 9622(g)(5). Such protection with respect to each Respondent and Settling Federal Agency is conditioned upon that Respondent's or Settling Federal Agency's compliance with the requirements of this Consent Order.

PARTIES BOUND

15. This Consent Order shall apply to and be binding upon EPA, the Settling Federal Agencies, and the Respondents and their heirs, successors and assigns. Any change in ownership or corporate status of a Respondent including, but not limited to, any transfer of assets or real or personal property, shall in no way alter each Respondent's responsibilities under this Consent Order. Each signatory to this Consent Order represents that he or she is fully authorized to enter into the terms and conditions of this Consent Order and to bind legally the Respondent or Settling Federal Agency which he or she represents.

PUBLIC COMMENT

16. This Consent Order shall be subject to a thirty-day public comment period pursuant to Section 122(i) of CERCLA, 42 U.S.C. § 9622(i). In accordance with Section 122(i)(3) of CERCLA, 42 U.S.C. § 9622(i)(3), EPA may withdraw or modify consent to this Consent Order if comments received disclose facts or considerations which indicate that this Consent Order is inappropriate, improper, or inadequate.

ATTORNEY GENERAL APPROVAL

17. The Attorney General or her designee has issued prior written approval of the settlement embodied in this Consent Order in accordance with Section 122(g)(4) of CERCLA, 42 U.S.C. § 9622(g)(4).

EFFECTIVE DATE

18. The effective date of this Consent Order shall be the date upon which EPA issues written notice to the Respondents and Settling Federal Agencies that the public comment period pursuant to Section V, Paragraph 16, of this Consent Order has closed and that comments received if any, do not require modification of or EPA withdrawal from this Consent Order.

ATTORNEY GENERAL APPROVAL

17. The Attorney General or her designee has issued prior written approval of the settlement embodied in this Consent Order in accordance with Section 122(g)(4) of CERCLA, 42 U.S.C. § 9622(g)(4).

EFFECTIVE DATE

18. The effective date of this Consent Order shall be the date upon which EPA issues written notice to the Respondents and Settling Federal Agencies that the public comment period pursuant to Section IV, Paragraph 15, of this Consent Order has closed and that comments received if any, do not require modification of or EPA withdrawal from this Consent Order.

IT IS SO AGREED AND ORDERED:

ADMINISTRATIVE ORDER ON CONSENT FOR DE MINIMIS SETTLEMENT
RESPONSE TO COMMENTS

On February 18, 1994, EPA published notice of the proposed settlement in the Federal Register. During the subsequent 30-day public comment period, EPA received three comments. In consideration of the comments, EPA made three very minor revisions to the Administrative Order on Consent for De Minimis Settlement. The revisions are appropriate as they clarify and improve the fairness of the settlement. However, none of the revisions are significant.

Comment One: Memphis Light, Gas and Water Division notified EPA that Memphis Light, Gas and Water Division contributed an additional 550 gallons of hazardous substances to the Site.

Response: EPA recalculated the payment due under the De Minimis AOC from Memphis Light, Gas and Water Division. The payment due changed from \$5,762.95 to \$6,423.32.

Comment Two: The U.S. Department of Justice, Environmental Defense Section, (DOJ Defense) on behalf of the Settling Federal Agencies, objected to the requirement that Settling Federal Agencies make payment under the De Minimis AOC within 30 days of the effective date of the De Minimis AOC because the United States could not guarantee processing payment within 30 days.

Response: In recognition of the limitations placed on the Settling Federal Agencies in processing such payments, EPA has revised the payment provisions of the De Minimis AOC to allow the Settling Federal Agencies only 120 days to make payment.

Comment Three: DOJ Defense, on behalf of the Settling Federal Agencies, requested a minor clarification of the Anti-Deficiency Act language contained in the De Minimis AOC. Specifically, DOJ Defense requested that the following statement be added to Paragraph V(5) of the De Minimis AOC: "Payments by or on behalf of Settling Federal Agencies are subject to availability of appropriated funds."

Response: EPA allowed the clarification in the spirit of cooperation and because the requested language in no way changes the meaning or requirements of the De Minimis AOC.

The comments set out above are the only comments EPA received during the public comment period. The comments did not disclose facts or considerations which indicate that the Cost Recovery Agreement is inappropriate, improper or inadequate. The requested revisions are minor and do not affect the private party Respondents to the De Minimis AOC. Therefore, EPA incorporated the comments into the enclosed De Minimis AOC.
